President- Ken Walters

It's been an interesting year for The Heinlein Society. We had a long conversation with Art Dula of the Heinlein Prize Trust earlier this year and we are attempting to take advantage of the synergy between our two organizations. HPT has been our valuable partner in supplying us with a Virginia Edition to raffle for the past several years. They also reimburse us for our Heinlein for Heroes shipments.

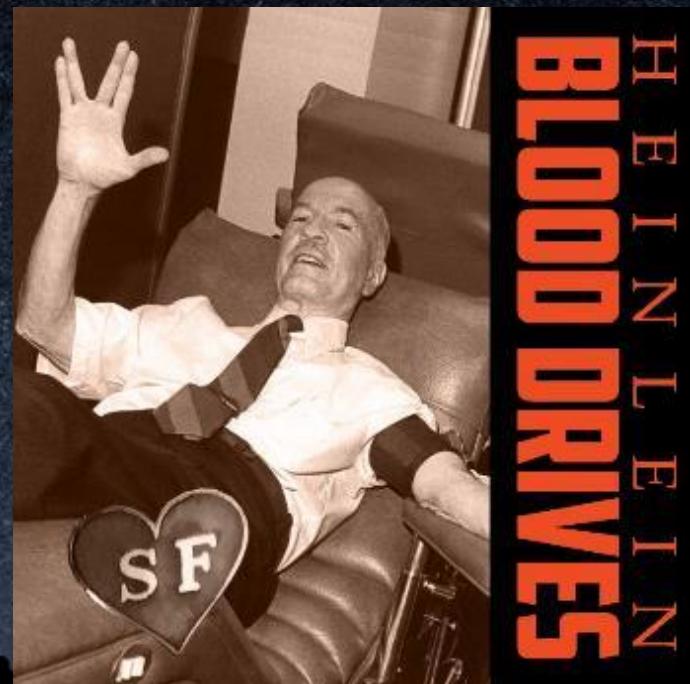

During our conversations Art mentioned the possibility of more Heinlein on the big screen. Since then, a potential remake of the Starship Troopers movie has been announced that will be more faithful to the book. Also, an animated feature has been announced for Citizen of the Galaxy. Hopefully, both will come to fruition.
